MEMORANDUM FOR: General Counsel
Legislative Counsel

FROM: John F. Blake
Deputy Director for Administration

SUBJECT: Draft Agreement Governing the Diplomatic
Telecommunications Service (DTS)

1. During the course of the last several months, and as a result of a mandate from the House Appropriations Committee, representatives of the Department of State and this Agency have been working to create a new agreement which addresses itself to the definition of, and the working policies and procedures of the Diplomatic Telecommunications Service.

2. A copy of the completed draft is attached for your review. While I believe it doubtful that either addressee would have substantive comments to make, I would appreciate your review and indication of your concurrence by 1 August.
